

National Phase of International Application No.: PCT/SK2004/000005
Title: WATER WHEEL MOTOR
Preliminary Amendment

REMARKS

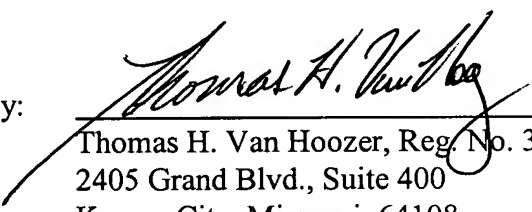

This is a U.S. National phase application of International Application Serial No. PCT/SK2004/000005. Applicant has amended the application to conform to U.S. practice by submitting the abstract on a separate page, and by amending the claims to eliminate multiple dependencies, to provide more detailed antecedent bases for some of the claims, and to rewrite claim 4 to recite a Markush group in language consistent with U.S. claiming practice. In addition, applicant has incorporated by reference the international application filed under the Patent Cooperation Treaty and the underlying Slovakia applications from which priority has been claimed by insertion of a sentence at the beginning of the application which is also referenced in the transmittal sheet in accordance with MPEP §608 .01(p).

Should the Examiner have any questions which may be resolved by a telephone conference, it is requested that the Examiner contact the undersigned at 1-800-445-3460. Any additional fees necessitated by this submission may be charged to deposit account 19-0522.

Respectfully submitted,

HOVEY WILLIAMS LLP
